A competitor can only enter the pit lane for an exchange of bike, stopping to fix a mechanical problem or stopping to collect a water bottle or other refreshment (see note about feeding below). A competitor is not permitted to race through the pit lane for a cleaner line to gain an advantage. Once a competitor exits the pit lane, the competitor is not permitted to return against the direction of the course to the pits.

The pits is a busy area during a cyclo-cross race. There should be no dogs in this area and no small children. Pit crew – don't step out into the pit lane until you see your rider approaching. Stay behind the line.

## **1.23 Feeding**

A reminder, in a cyclo-cross race no feeding is allowed. Feeding is where someone hands the rider a bottle, gel or other refreshment anywhere on the course. A rider can stop in the pits and pick up his/her own bottle. A bottle can be carried on your bike, gels/snacks can be carried on your person. The key point is that you are not "fed" by another person. The penalty for this is disqualification.
